Philips
Car Charger

for iPhone & iPod

DLP5263

A faster charge in the car

for two devices at once

This auto charger delivers more power for a faster charge. A magnetic cable organizer keeps your connector close at hand and your cables neat. And a bonus USB connection lets you charge a second device at the same time.

Power on the road
- Dual charging: Charge two devices at the same time
- Works with USB-based devices

Smart design
- Integreated magnetic cable organizer

Fast charging
- Delivers more power for a faster charge

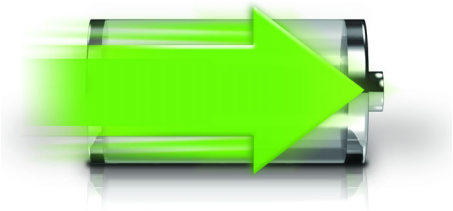
Highlights

Delivers more power



Don't sit around waiting for your device to charge! The higher power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

Dual charging
Turn one outlet into a dual-charging station! This charger has two power outlets so you can connect two of your favorite devices using their USB cables.

Works with USB-based devices
The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.

Magnetic cable organizer
Integrated magnetic cable organizer keeps your connector close at hand & your cables neat
